Work Experience

Web Developer, Upright Communications, Cincinnati, OH 3/2015-DATE

As a web developer, I am responsible for creating and managing websites for various clients around the country. All of the websites are coded with the latest in web technologies and designed to adapt a wide range of devices including desktop, tablets, and mobile phones.

New Media Director, Bearcast Media, University of Cincinnati, College Conservatory of Music, Cincinnati, OH 4/2013-4/2015

As the New Media Director, I was in charge of designing and producing the new Bearcast Media website. This project is coded in HTML5, CSS3, and Javascript within Wordpress. The final site is mobile compatible across all devices and features a mobile user interface.

New Media Intern, Hobsons Educational Solutions, Cincinnati, OH 7/2013-9/2013

I worked closely with the Director of New Media to complete various interactive microsites for universities and colleges around the country. These sites are used for admission and promotional purposes and coded in HTML5, CSS, and Javascript.

Student Ambassador, Student Life, University of Cincinnati, Blue Ash College, Blue Ash, OH, 8/2012-4/2013

Out of the entire student body, I was asked to be a UCBA Student Ambassador. My responsibilities as a Student Ambassador was to volunteer at school events, give tours to perspective students and attend and work at freshman orientations. Only 10 students out of the student body were chosen.
